APPLICATIONS OF KIOSK

RETAIL | BANKING & FINANCE | TRAVEL & TOURISM | TELECOMS |
HOSPITALITY | HEALTHCARE | LOTTERY & BETTING | GOVERNMENT |
PUBLIC & PRIVATE SECTOR MANUFACTURING COMPANIES

INFORMATION | TRANSACTION | MULTI PURPOSE KIOSK

Kiosk as a system is a combination of Hardware, Software & Firmware.

It's works for all above applications & in various business verticals.

The main objective of the system is Easy access to the information where business houses want to share to one or group of people.

Transactional kiosks are again a self service driven systems which reduces the work load of the people in large business houses.

Manufacturing set up

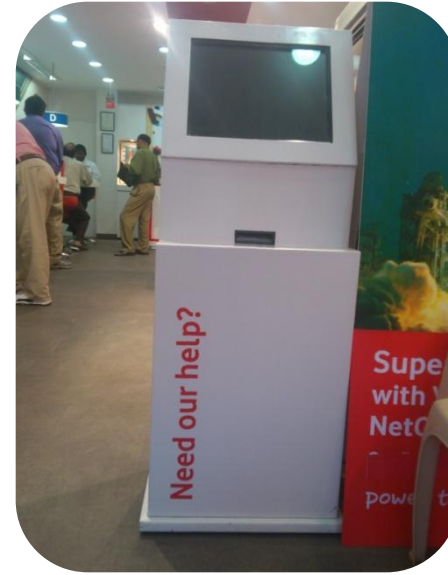

Presently have a tie up with third party manufacturing for Kiosk metal structures in Bhosri, Pune
